Please visit our webpage to keep informed of our latest news.

<http://eastgreenwichartclub.org>

This year promises to be a year of development. Our activities last year created a number of promising partnerships with the East Greenwich School District's Art Department, with the Town of East Greenwich's Recreation Department, with the Rhode Island State Council On The Arts (RISCA) and with Gaspee Real Estate Partners which is allowing us gallery space in the lobby of 333 Main Street in East Greenwich. This fall we will engage with the New England Institute of Technology and create an advisory board with local businesses.

We have added member gallery pages to our website Membership link for those members wanting to have a direct contact page available to the public. If you don't have an online presence, a member gallery page can BE the main point of contact. If you point your phone's camera at this QR code, you can see several samples created on our website:

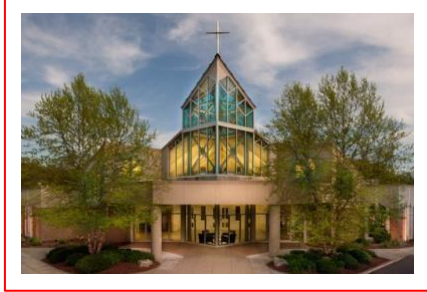

Contact [info@eastgreenwichartclub.org](mailto:info@eastgreenwichartclub.org) if you wish a page to be created for you.
