☞ A Letter from the President

Hello to all as we welcome Fall.

As the weather gets cooler things are heating up for the EGAC. Next year will mark the Clubs' 50th Anniversary and to celebrate this landmark occasion we have formed a committee to plan events

throughout the year. So, if anyone has information regarding the history of the Club, or wishes to plan or suggest a special event, please do not hesitate to contact me.

As you may have heard, the Club now has its own web site. This is something that I was hoping to accomplish since I became President. Thanks to Art Stenberg we have been able to achieve this in a short period of time at a most reasonable cost to the Club. If you haven't visited the site, make a point to do so; it really is fabulous.

The planning of the December show is underway. Anna Hagan and Debbie Calabro have volunteered again this year to co-chair this event with their one woman committee member, Rosemary Rosati. With their planning and hard work this event has become more successful each year.

I would like to take this opportunity to thank the officers that have volunteered willingly year after year and have given of their time selflessly and have made my job easier. Thank you all.

I hope to see you at the next meeting. Bring a friend.

Nancy
