

Winter 2022

Message from President Dan Lake

February Project

Due to external conditions, the East Greenwich Art Club has cancelled its February meeting.

In lieu of that meeting, we have established a project that will allow members to highlight work that has been done or begun during this winter of isolation.

Attached is a link to a YouTube video we have created as a sample of how we wish to highlight our members' winter work. It is a sample, including a title slide and up to 2 digital images for each submitting member artist.

This video is located online at <https://youtu.be/x1icF50qRU8>

A stand-alone video copy of this video sample can be sent to you via email upon request, should you not wish to access YouTube. We invite you to:

1. View the sample video to see how your work would be included;
2. Post an email to info@eastgreenwichartclub.org Attach a .jpeg image of one or two

of your recent work done since November of 2021. These may be completed works

OR works in progress;

3. In your email subject line, type "Slide Show submission"
4. In your email content, indicate how you wish your name to be displayed. You may

include a public point of contact if you wish. This may be your personal website, email address, or phone number. Remember: this will be public if included.

5. Please submit your work(s) by February 1, 2022

We will create this slide show and return it prior to March 1st via a YouTube link OR, if requested, directly to you as a video file.

Any questions can be directed to info@eastgreenwichartclub.org. Thank you and stay safe!

Artist of the Month

Ian Sanderson

Ian Sanderson was a mechanical engineer for 50+ years in design and development of various products such as pumps, spandex equipment, and alternators. During this time, he designed and built furniture, and he took art courses at RISD that interested him. When he retired, he joined the East Greenwich Art Club and was exposed to different ideas and mediums: watercolor, oil, ink, woodcarving and photography. Another interest was to make scratch-built model boats [some radio controlled] for exhibiting at Mystic Seaport. More recently, he has been painting local scenes on seashells and selling them at Fuller Gallery, Jamestown and at Art and Soul in Pawtuxet Village.

ESTABLISHED 1959

In 1959 the East Greenwich Art Club was founded by local artists who came together to encourage each other in their art. The purpose was to foster the production, exhibition and sale of works of art by local and other artists by arranging lectures and discussions on art.

For nearly 60 years the Club has also aided and contributed to the furtherance of artistic education among the school children of East Greenwich by offering an East Greenwich Art Club Student Award each year to a deserving and talented student.

We welcome you to attend our next meeting as a guest where you can experience our friendly club in person! For more about our Club, past, present and future events and exhibits, and read our newsletters, visit our website.
